Date: May 12 Weather: ☀ Sunny

[DRAWING SPACE: Simple butterfly drawing with basic oval body and two rounded wings. The wings have a few simple spots drawn in crayon. Lines are wobbly but recognizable as a butterfly.]

Mom helped me write:

- BUTTERFLY
- ORANGE
- BIG
- PRETTY
- FLOWER

[IMAGE PLACEHOLDER: Small pressed flower petal taped to page]

I saw 3 butterflies!

Mom helped me count their wings: 4 wings
